MESSAGE FROM CHAIRPERSON CCI

Warm greetings to the readers! Competition is the life force of markets that creates the best incentives for businesses to increase efficiency, drives their productivity and fuels innovation. Despite its all-embracing benefits, healthy competition may not emerge on its own. Without oversight and necessary intervention, we could be witness to a chaotic environment, where dominant firms misuse their market power to fence out competition or cartels drive up price or anti-competitive mergers weaken competitive structure [Read more](#)
